Conditions of contract:

1. This contract must be signed by the mare owner
- 2. The semen will only be released on a “service fee” basis to mares younger than 16 years of age.**
- 3. If the above named mare is 16 years or older, then the semen will be made available upon payment of a full service fee.**
4. I grant EquiBreed NZ Ltd as the agent for Aldebaran Park the authority and discretion to either, not undertake, or cease the breeding program if the mare is deemed unsuitable for any reason.
5. If the above named mare fails to conceive after 3 cycles then she shall be withdrawn from the breeding program.
6. This contract is separate to any contract between the mare owner and the veterinary practice managing the mare’s breeding program (including EquiBreed NZ Ltd and Aldebaran Park).
7. I agree that in the event that the above named mare fails to conceive that I will not hold EquiBreed NZ Ltd or Aldebaran Park responsible, and I agree to pay all fees incurred for services provided by EquiBreed NZ Ltd or my designated veterinarian.
8. This contract is non-transferable without the written authorization of a veterinarian from EquiBreed NZ Ltd.
9. Neither EquiBreed NZ Ltd nor Aldebaran Park makes any representation regarding the mare or stallion’s fertility.
- 10. The service fee will be invoiced at the time of a positive 45 day pregnancy scan.**
11. All invoices will be payable 30 days following this positive pregnancy scan at 45 days of gestation.
12. All pregnant mares will require a veterinary examination at 15, 30 and 45 days of gestation. If these examinations are not performed, then rights to a “free return” will be waived as will the rights to a free return if invoices are not paid as per clause 11 above.
13. In the event of the mare losing the pregnancy or the foal dying within 7days of birth, a free return will be offered from Aldebaran Park for Dream Vacation.
  - a. This free return will only be made available upon receipt of a veterinary certificate which states that the mare has aborted or the foal died within 7days of birth. This veterinary certificate needs to be sent to EquiBreed NZ Ltd within 14 days of the time of diagnosis of the pregnancy loss or the death of the foal.
  - b. This free return will not be made available to mares that die, abort twins, have been seriously injured or considered to be in poor health or condition as described in a veterinary certificate.
  - c. This free return will not be made available to mares that have foals with abnormalities, congenital or otherwise.
